

www.LindonCityDrill.com

MONDAY, SEPT 17

- Listen for the sound of honking horns and sirens
- Check-in with your block captain
- Have fun with your neighbors
- **Compete to see which area of the city**
 - Reports the fastest
 - Reports most accurately
 - Has the highest participation

IF you are an amateur radio operator, listen to the training item and check-in with the city net 146.56 MHz (simplex).

IF you own a business or work in Lindon, do a small drill or hold a contingency planning meeting at your workplace.

IF you have a special need, let your block captain know what help you might need in a real emergency.

Make or review your family emergency plan.
