

www.LindonCityDrill.com

MONDAY, SEPT 16

- Listen for the sound of honking horns and sirens
- Check-in with your block captain at 6PM
- Have fun with your neighbors
- **2019 GOAL! Raise citywide participation to 90%**
 - Report fast
 - Report accurately
 - Encourage participation in advance

IF you are an amateur radio operator, listen to the training item and check-in with the city net 146.56 MHz (simplex).

IF you own a business or work in Lindon, do a small drill or hold a contingency planning meeting at your workplace.

IF you have a special need, let your block captain know what help you might need in a real emergency.

Make or review your family emergency plan.
